

Virtual USB Server Appliance

Wireless enable your USB devices instantly!

Virtual USB Server allows you to share and access your USB devices wirelessly as if they were locally connected.

Overcome the limitations

With the Virtual USB Server, you can

- Move your USB devices away from your desktop beyond the length of the USB cable
- De-clutter your desktop from the mess of USB cables
- Not be afraid of running out of USB ports

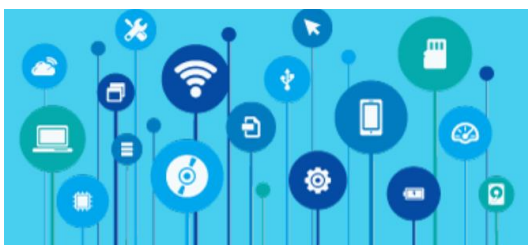

Use your USB devices remotely

You can use your device remotely through WIFI, local network or even the internet. The USB device appear as if it was directly attached to your desktop.

Works with any USB 2.0 devices

Virtual USB server works with any USB 2.0 and above devices seamlessly. Simply attach your device and use it immediately.

Supports Windows, OSX and Linux

The Virtual USB Server client software runs on Windows, OSX and Linux. The client software will automatically find the USB device attached to the Virtual USB Server.

How it works

1. Connect the Virtual USB Server to your network through WIFI or ethernet.
2. Attach your USB device to the Virtual USB server
3. Run the Virtual USB client on your desktop to access your USB device.

Specifications

Model	VU202R
Hardware	
Processor	AR9331
Memory	64MB
Internal Storage	64MB
Input Voltage	5V DC
Interfaces	
Ethernet	1 10/100Mbps LAN port
USB	1 USB 2.0 Port: USB Host (Type A)
Micro USB	1 Micro USB port
Wireless	
Wireless Standards	IEEE 802.11b/g/n
Frequency	2.4 ~ 2.484GHz
Wireless Security	64/128/152-bit WEP, WPA/WPA2, WPA-PSK/WPA2-PSK
Antenna	Built-in smart omnidirectional antenna
Physical Description	
Dimensions (L x W x H)	64 mm x 44.5 mm x 22.3 mm
Weight	50 grams
Chassis Type	ABS Plastic
Environment	
Certification	CE, FCC, RoHS
Operating Temperature	0° to +40° C*
Storage Temperature	-40° to +70° C
Relative Humidity	10% to 90%, non-condensing

Use cases

- Topaz Gemview tablet displays
- Electronic signature pads
- Fingerprint readers
- USB Monitors
- Printers
- 3D Printers
- Cameras
- Card readers
- Digital TV Tuners
- Webcams
- Personal video recorder
- ID card scanners
- Interactive Whiteboards
- Modems
- USB ANT Stick
- Portable Thermometers
- Multifunctionals
- Plotters, Cutters
- Scanners
- Smart Card Readers
- Digital Mixers and more...
